Roses Bouquets

Red roses, in general, are associated with love and passion. We can combine roses with wax to create these beautiful bouquets that express more than a simple feeling.

## Characteristics:

- Stem length: 19.6 - 24 in / 50 - 60 cm
- Composition: Rose + waxflower
- Average vase life: up to 8 days
- Bouquet cap: Smooth Biooriented (thicker plastic), Kraft (go green), microperforated cap (thin plastic) or other.
